The Chilterns
CONSERVATION BOARD

The Chilterns

an Area of Outstanding Natural Beauty

The Chilterns Buildings Design Awards are organised by the Chilterns Conservation Board and the Chiltern Society to encourage the highest possible quality of building design and thus **conserve and enhance the character and outstanding natural beauty of the Chiltern Hills.**

Entries must relate to buildings within the Chilterns and should be received by **1st March.**

The Awards Ceremony will be held in **June** when the overall winners will be presented with a plaque. Entries of high merit will be presented with certificates of commendation.

The expert panel of judges will take careful account of the advice given in the *Chilterns Buildings Design Guide*, in particular:

- **The way the building contributes to the local distinctiveness of the Chilterns and the need to conserve and enhance the natural beauty of the area**
- **The way the building relates to the landscape and surrounding buildings**
- **How the building uses its site**
- **The way that the issue of sustainability is addressed**
- **The use of suitable materials**
- **The use of appropriate hard and soft landscape treatments**

Buildings eligible for consideration include:

- **Housing**
- **Public buildings**
- **Industrial/commercial/farm buildings**
- **Conversions and extensions of existing buildings**
- **Engineering structures, e.g. bridges**

Details of previous winners are available from the Chilterns Conservation Board.

TERMS OF ENTRY

1 Entries or nominations are invited from members of the public, from clients, designers, contractors and local authorities.

2 The scheme should have been completed in the course of the previous three years.

3 The entries must reach the award organisers by **1st March**, and the awards will be presented in **June** at a special awards ceremony.

4 To ensure the judges understand the design, submissions should include a single page design report explaining the context for the scheme and how the issue of local distinctiveness has been addressed as well as site plans, drawings and photographs (at no greater than A4 size). A short list for judges' visits will be prepared on the basis of the information given.

5 Conversions/extensions should include 'before and after' photographs if possible.

6 Please obtain permission from the owners and occupiers of the buildings for the judges to visit if required, and for the use of photographs.

NOMINATION FORM

Location of scheme (full postal address please)

Type of scheme (brief description)

Owner's name, address and tel. no.

Proposer's name, address and tel. no.

Architect's/designer's name, address and tel. no.

Builder's name, address and tel. no.

Declaration

I have read the terms of entry and accept the judges' ruling as final

Signature

Date

Telephone number for contact

Email address
